Twinkle, Twinkle, Little Star

Twinkle, twinkle, little star,
How I wonder what you are.

Hold hands up high and rotate wrist in time to the music.

Up above the world so high,
Like a diamond in the sky.

Make a diamond shape with index fingers and thumbs.

Twinkle, twinkle, little star,
How I wonder what you are.

Hold hands up high and rotate wrists again.

Wee Willie Winkie

Wee Willie Winkie runs through the town,
Upstairs and downstairs, in his nightgown,
Rapping at the window,
Crying through the lock,
"Are the children in their beds?
For now it's eight o'clock."

Diddle, Diddle Dumpling

Diddle, diddle dumpling, my son John,
Went to bed with his trousers on;
One shoe off and one shoe on,
Diddle, diddle dumpling, my son John.

Go to Sleep Now

Go to sleep now,
No-eyes peek now,
Close your eyes, close them tight.
Dreaming you will soon be,
Oh, the things that you will see
All through the night!

Bobbie Lee Wagman

Star Light, Star Bright

Star light, star bright,
First star I see tonight,
I wish I may,
I wish I might,
Have this wish,
I wish tonight.

Rock-A-Bye Baby

Rock-a-bye baby, on the tree top;
When the wind blows, the cradle will rock;
When the bough breaks, the cradle will fall;
And down will come baby, cradle and all.

Jack Be Nimble

Jack be nimble,
Jack be quick,
Jack jump over
The candlestick.

The Man in the Moon

The man in the moon
Looked out of the moon,
Looked out of the moon and said,
It's time, I think, for all good children
To think about going to bed.

Night-Night Rhyme

(Point to body parts named.)

Go to sleep, little toes,
You've worked hard all day.
Go to sleep, little legs,
You've run hard and played.
Go to sleep, little hands,
You're always so busy.
Go to sleep, little arms,
Being small isn't easy.

Go to sleep, little ears,
There's so much to hear.
Go to sleep, little mouth,
There's nothing to fear.
